Липецк, Россия

Urban Suiting Impex has grown from a small, family-owned business by Amer Gul Shehzad in 1997. Manufacturing and selling Leather Garments on the streets of Sialkot, to becoming one of the largest and most well respected international jobbers in the industry. We specialize in making extremely authentic, high quality ladies & gents leather garments and accessories. Latest and traditional handmade high-quality leather garments and individual pride in making something well is rare ethic these days. The main focus of our team the fineness of cloth, texture and feel of leather and the sensation of putting something on that's makes you feel special. For Contact. Join us today free.

We have transformed our competences, products and services from not only having focus on production of leather garments but developed high skills on trends and forecasting for the fashion industry. For More...

We had an optical survey of latest technologies as well as the more advance Fashion in Leather and Textile Garments. Our R&D proposed to expand company products range and hence from last five years, we are the one of the best Quality and New Fashion provider in international market.

Urban Suiting Impex is one of Pakistan's leading innovators and suppliers of leather and textile garments to multiple markets. Including Motor bike apparels Leather fashion jackets, Stuff and Textile jackets.
